”

“MATTER è un progetto
sulla materia artigianale.

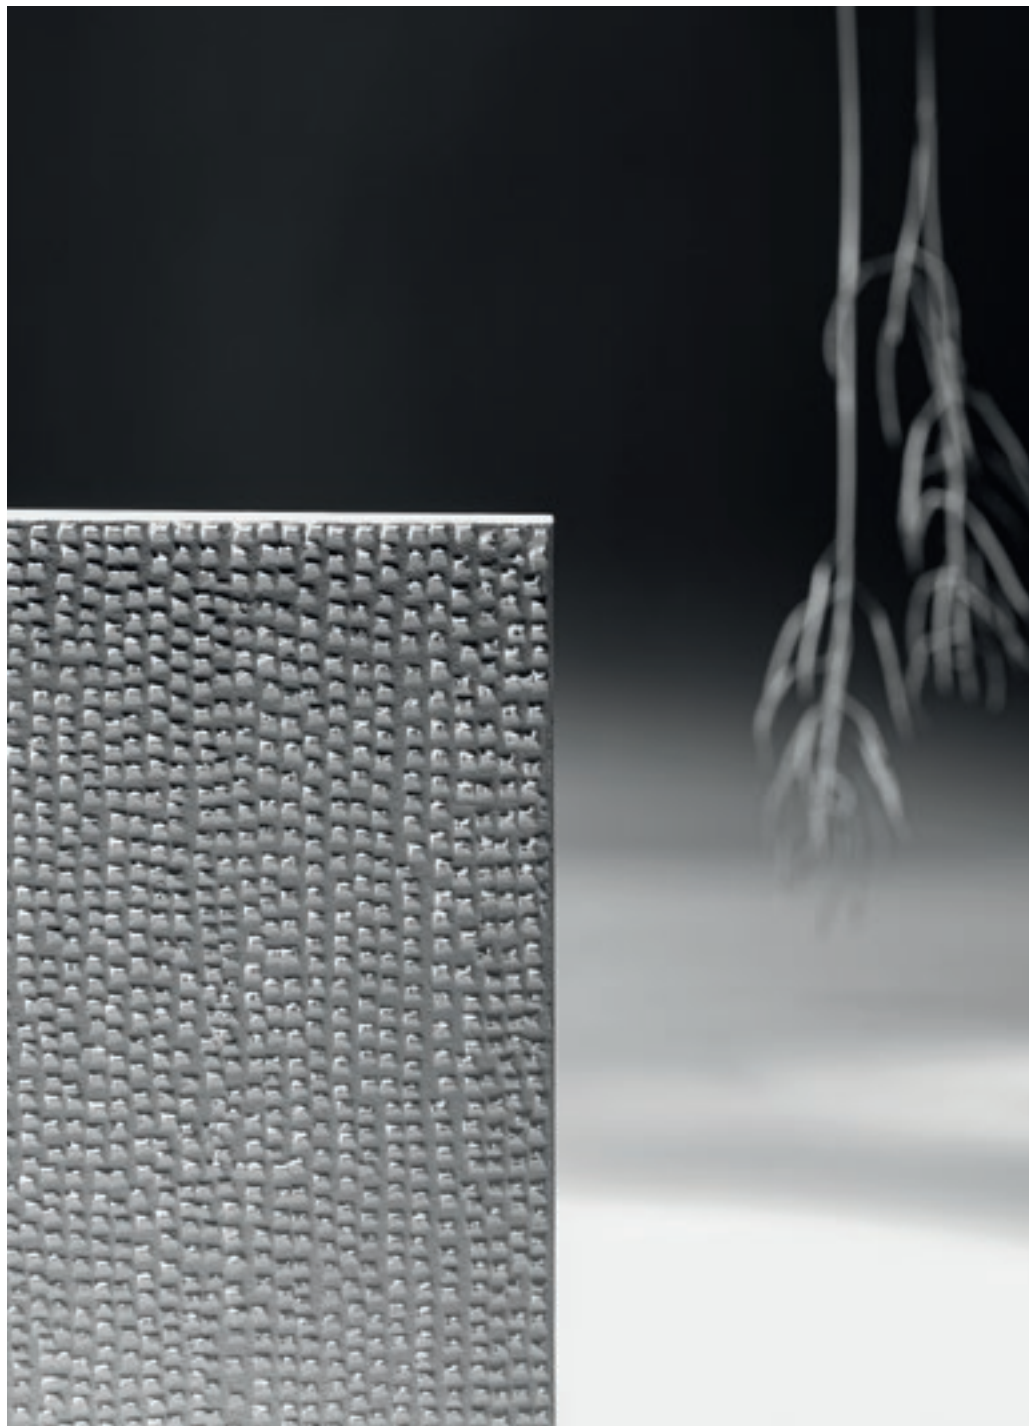

Ho voluto restituire alla
ceramica il suo valore
originario lavorando su
alcuni temi plastici e
su materie molto ricche e
calde”.

*“MATTER is a project based
on craft materials.*

*I wanted to restore
the original value of
ceramics by working on
some sculptural themes
and on very rich and warm
materials”.*

“L'imperfezione è stata ricercata attraverso la produzione di una serie di calchi in gesso fino a raggiungere un'armonia nella relazione tra i diversi colori e le texture”.

“Imperfection was sought through the production of a series of plaster casts aimed at achieving harmony in the relationship between the different colours and textures”.

_"MATTER è un microcosmo in cui
si incontrano superfici e smalti
che ci trasmettono la sensazione
di un calore antico".

_"MATTER is a microcosm in
which surfaces and glazes meet
to transmit to us a feeling of
age-old warmth".
